Nevada Early Intervention Services Annual Program Performance Report  
 (FFY 2021) July 1, 2021 to June 30, 2022

Counties Served: Clark

In accordance with the Individuals with Disabilities Education Improvement Act of 2004 (IDEA), each state must have in place a State Performance Plan (SPP) to evaluate the state's efforts to meet IDEA requirements. The SPP is a six-year plan which describes Nevada's performance related to established targets. This report card compares the performance of the MDDA EIS Program to the targets established for the State.
